

Soundboard feedback

I would love to hear your opinion when using the soundboard

Are the colours of the buttons catch your eye when you put your mouse over it? *

	1	2	3	4	5	
Yes, This catches my eye	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	The colour's are too dull and boring

If you gave it 4/5 explain why you gave it that score ?

.....

Do you think that the colours match up with the Sound. E.g. evil laugh being red or Someone laughing being yellow *

- ☒ Yeah
- ☐ No

Could anyone use this software? *

- ☒ Yes
- ☐ No

Would you like to import your own sounds into the soundboard instead of using pre-downloaded one's in the soundboard files *

- ☒ Yes
- ☐ No

If the answer was no, why do you think that sounds in the soundboards

are okay to use without changing them.

.....

Do you think there should be key command to active the buttons? *

☐ Yes

☒ No

Is the Answer was Yes what key commands would you like to activate the sounds on the soundboard?

Space bar and esc

.....

Did the on screen help, helped you on using this soundboard

☒ Yes

☐ No

If you clicked on yes please explain why it helped you

It was very easy to follow

.....

But if you clicked on no please explain why the on-screen help didn't help you at all

.....

Feedback *

Very affective, just needs minor adjustments.
